Huge thanks to Tracey who continues to be an amazing fosterer for us. These are the beauties she helped care for and here is what she has to say about fostering:

“Fostering is amazing. It is not always easy and teaches you to have a little more patience, a little more empathy and a little more compassion. The joy of the little wins is uplifting and can make the whole day feel better. I have fostered puppies, seniors, nervous dogs and loved every single one; bringing the best out of them to help find them their forever home. Not to mention the motivation to get out walking every day, whatever the weather!”

Roxy may not have had her furever sofa this Christmas but she enjoyed her day with our team. Thank you to all who donated goodies towards her Christmas stocking.

Pets at Home Lifeline Vouchers are an amazing support the Charity.

Our lifelines came in very useful when we had some rather unusual emergency intakes. Chris and Craig's owner sadly passed away and we were taking in their dog Tilly. We couldn't well leave her scaly siblings so they joined us too. Some team members are clued up on reptile care, so off they went to Pets at Home to get the equipment and live feed needed to make sure we could provide the best care possible.

Throughout the year our team of volunteers hold events at the Workington store. The end of year fundraising culminates with Santa Paws. This is an annual appeal run by Pets Foundation where we commit to spending 24 hours instore during December and post the initiative on our social media pages. In return, we receive 50% of the donations taken at the store tills, with the remaining funds going towards the Pet Foundation grant programme. **Thanks to your support we received an amazing £1426.72**

Our thanks go to

- Pets Foundation for this wonderful scheme raising so much money for charitable causes
- Our Workington store colleagues for making our volunteers feel welcome and working hard to encourage donations at the tills
- Our wonderful human and hound volunteers who gave up their valuable time
- Customers who generously donated, supporting this worthwhile cause and our many events throughout the year

Thank you one and all

Huge thanks to our volunteers who dedicate their time throughout the year, participating in various events.

Our team enjoy chatting with folk about how to lend a paw and get involved in helping and supporting our furry friends in need in our care and community.

"It is so rewarding to see the change in the animals. Sometimes they are very sad when they come to the Centre. With the love and care they get from us, they go to their new homes happy. I have made lots of new friends, it is so lovely being part of a team looking after animals." Maureen, longstanding volunteer

Pawsome Updates

Gorgeous Ivy

Ivy came to us having been docked & cropped. A guarding breed without any history, it was an interesting and exciting time to get to know her personality, what she liked and her little quirks. Ivy definitely didn't appreciate her 35kg of muscle, continually trying to be a lapdog, loving snuggles, walks, sniffs, treats & if she could, a slurp from your cup of tea.

In our care for 265 days, the team were super delighted when a suitable adopter was finally found who would give Ivy the best of their time, energy, patience and love to help her settle into a home life. Thank you to our adopter for the pawsome updates.

Duke Update

If you missed Dukes story

Duke was 13 years old and found wandering in the middle of nowhere, flea ridden, broken teeth and in a rough way. We found an amazing foster family. Our eternal thanks to them giving him a loving, cosy home.

Delighted to have him & his foster family pop in for a Christmas visit and seeing how amazingly well he is doing, still loving his tennis balls, walks and sofa snoozes.

We are so grateful to the couple who are fostering and giving him all the love and happiness he deserves.

We continue to receive wonderful updates, even years after adoption. These "happy furever after" updates are really appreciated, thank you to our adopters. 💙💚
